Still working on it, but we are getting close! I should be able to provide an update by the next BID meeting.

Hi Angelina,

Hope all is well.

I was wondering where you were with finding funding for lighting at NoHo Plaza?

DWP provided me an outdoor lighting contract for a great deal on flat rate usage there based on projected wattage (\$16.25/month), but my board decided against approving it just yet. They wanted more information on the possibility of solar options and adding a timer.

Thanks,  
Aaron
